This is going to be a quarterly publication as currently planned but with enough articles and activities, this can be made possible to come out on a monthly basis.

from the staff, residents or relatives with regard to the activities we are

having at Andrin House or any article relating to this. We welcome any article from the residents regarding their previous or present interests, hobbies or experiences.

Andrin House has recently purchased 20 new lounge chairs for the residents' rooms and 5 dining tables with 20 dining chairs.

Painting of the entrance hallway was also done to brighten up the Home, new carpets were laid down in some rooms, and new bed linens and pillows were purchased.

Sensor activated lights were also installed in the car parks to provide lighting for visitors parking in the evenings. A gazebo will be installed in the garden for residents to stay out

during summer.

On the management side, Acting Matron Rowena Cortez-Isidro, assisted by Acting Deputy Matron Chipo Hlomayi and Activities Coordinator Anna Williams, reintroduced the Relatives meeting in order to develop positive relationships between the home and the relatives to enhance the residents stay in the home.

The last two meetings proved to be very encouraging and lead to many improvements inside the home based on the insights and suggestions given by the relatives. Next relatives meeting will be on the 8th of September, 2008 at 11 AM.
